

Qualifying Cooperating Congregation Report as of March 30, 2022

**General Baptist State
Convention of
North Carolina, Inc.**

“Definition of “Cooperating Congregation”

The General Board has defined a “cooperating congregation” as a church that has registered at least twice in the past two years. Therefore, to be considered a “cooperating congregation” for the upcoming 2022 elections, a church must have registered for at least two of the following four sessions:

- ◆ Annual Session 2020 (October 2020)
- ◆ Mid-Year Session 2021 (May 2021)
- ◆ Annual Session 2021 (October 2021)
- ◆ Mid Year Session 2022 (May 2022)

If your church registered for any TWO of the above sessions, your church is qualified as a “cooperating congregation” for the 2022 election. A “cooperating congregation” is another way of saying a church that is in good financial standing with the General Baptist State Convention.

If your church does not qualify as a “cooperating congregation,” you may pay passed registration fees in order to vote and/or run for office. You may call Baptist Headquarters to check your church’s status. Phone (919) 821-7466. You may pay by credit card or mail check to: General Baptist State Convention
