

# Qualifying Cooperating Congregation Report as of October 7, 2022

General Baptist State  
Convention of  
North Carolina, Inc.

## “Definition of “Cooperating Congregation”

The General Board has defined a “cooperating congregation” as a church that has registered at least twice in the past two years. Therefore, to be considered a “qualified cooperating congregation” for the upcoming 2022 elections, a church must have registered for at least two of the following four sessions:

- ◆ Annual Session 2020 (October 2020)
- ◆ Mid-Year Session 2021 (May 2021)
- ◆ Annual Session 2021 (October 2021)
- ◆ Mid-Year Session 2022 (May 2022)

If your church registered for any TWO of the above sessions, your church is qualified as a “qualified cooperating congregation” for the 2022 election. A “qualified cooperating congregation” is another way of saying a church that is in good financial standing with the General Baptist State Convention. **In this report a “Q” is listed after the total for your representation contributions, you are qualified to vote in the upcoming election for October 2022.**

If your church does not qualify as a “qualified cooperating congregation,” you may pay past registration fees in order to vote and/or run for office. You may call Baptist Headquarters to check your church’s status. Phone (919) 821-7466. You may pay by credit card or mail check to: General Baptist State Convention
