Qualifying Cooperating Congregation Report as of

May 31, 2026

The General Board has defined a "cooperating congregation" as a church that has registered at least twice in the past two years. Therefore, to be considered a "cooperating congregation" for the upcoming 2026 elections, a church must have registered for at least two of the following four sessions:

- Annual Session 2024 (October 2024)
- Mid-Year Session 2025 (May 2025)
- Annual Session 2025 (October 2025)
- Mid Year Session 2026 (May 2026)

If your church registered for any TWO of the above sessions, your church is qualified as a "cooperating congregation" for the 2026 election

DR. RICKY L. BANKS
34th President, GBSC

Special Message

If your church does not qualify as a "cooperating congregation," you may pay passed registration fees in order to vote or run for office. Call Baptist Headquarters to check your church's status. Phone: (919) 821-7466
